Something for Everyone

We offer personalized, guided trips on Great Slave Lake. Our experience and northern hospitality, together with our modern equipment, ensure you of a safe and memorable trip.

Fish for Arctic Grayling, Northern Pike or Lake Trout. *Previous fishing experience is not necessary – we will be pleased to show you how!*

- Take a boat tour and see Yellowknife from the waterfront.
- Go out for dinner and enjoy fresh fish on Great Slave.
- Photograph nesting bald eagles.

Great Slave Lake

Great Slave Lake is the deepest and fifth largest lake in North America and the second largest lake in the NWT (behind Great Bear Lake). Great Slave stretches 300 miles from east to west, like an inland sea. It has an area close to 11,000 square miles and feeds the Mackenzie River, which flows north to the Arctic coast.

Special Occasions

Make your next occasion extra special by having it on the lake. What better way to celebrate a birthday, anniversary or even a wedding. Call us for some great event ideas.

Guided Fishing Trips

A Fantastic Fish Fry – 4 hours – \$110/person
"Our most popular trip."

Travel with us out Yellowknife Bay past the native village of Dettah and stop on the mainland or one of the many islands and fish for Northern Pike, which are excellent eating from the cold waters of Great Slave. Take time out to enjoy a fantastic fresh fish fry over an open fire. This trip is a great way to experience a bit of everything Great Slave has to offer – some fishing, sightseeing and the great taste of fresh fish. Bring your own fishing gear or use ours at no charge.

Half Day Trip – 4.5 Hours – Northern Pike \$125/person or Arctic Grayling \$150/person

A shorter version of the Day Trip – travel up to 30 miles from Yellowknife and fish for Arctic Grayling or Northern Pike. Extend your trip by an hour and a half and enjoy a fish fry for an extra \$25 per person.

Day Trip – 8 hours – \$235/person

If you like to fish and want to experience more of the big lake, we recommend this trip. Travel up to 30 miles along the north shore of Great Slave Lake. Depending on the conditions of the day, spend the morning fishing for beautiful Arctic Grayling. Relax and enjoy a delicious shore dinner of fresh caught Grayling, with all the trimmings. After lunch, finish the day with some great action catching Northern Pike.

All Day Trip – approx. 10 hours – Lake Trout \$275/person (minimum group of four people or equivalent)

Travel eastward along the north shore of Great Slave Lake, approximately 50 miles to the Hearne Channel, where the famous East Arm of Great Slave begins. Spend the day trolling for lake trout. Take some time out to relax and enjoy a fresh fish shore dinner with all the trimmings. Time permitting, complete your day by fishing for some Arctic Grayling.

Mid-June to late July only.

Note: Because of the distances required to access Lake Trout, this trip is subject to weather conditions.

Limits: Please note that some fish are required for shore dinners. For conservation, only smaller fish are used. Otherwise, our policy is "catch and release" only.

On our Lake Trout trips, two smaller Lake Trout per person can be taken home (under eight pounds each).

Fishing Licence: An NWT sport fishing licence is required. They can be purchased at many locations in Yellowknife. Licences are not required for a resident under the age of 16 or a non-resident under the age of 16 who is accompanied by a person who holds a sport fishing licence. Licences for Canadian residents over the age of 65 are free.

Other Trips

Fresh Fish Dinner – about 2.5 hours – \$55/person

Try something different and go out to dinner on Great Slave Lake. Travel across Yellowknife Bay into the islands and feast on fresh Great Slave fish cooked over an open fire. Bring your favourite refreshment.

Bay Boat Tour – about 1 hour – \$39/person

Enjoy a taste of Great Slave Lake by boat with a short tour of Yellowknife Bay and Back Bay. Get a different perspective of the city from the waterfront. See fishing boats, float planes, bird life, floating homes and historical sites. Perhaps you can step on to a local houseboat for a look inside at life on the water.

Extended Boat Tour – about 3.5 hours – \$125/person

Travel out Yellowknife Bay past the native village of Dettah. View the skyline of Yellowknife from the water. Continue on into the islands and photograph nesting ospreys and bald eagles. Stop on the shore and see old grave sites, settlements and ancient tent rings.

Extend your trip by one hour and enjoy a fish fry for an additional \$25/person.

Birdwatching – about 2.5 hours – \$110/person

Great Slave Lake is important to birds. Thousands of gulls, terns, ducks, shorebirds and songbirds of over 30 species nest on its islands, in its marshes and along its shorelines. Many more species stop here during migration. Molting ducks, which are flightless for at least two weeks, gather on Great Slave Lake in large numbers throughout the summer.

Travel out Yellowknife Bay into the islands and see nesting ospreys and bald eagles. Observe loons, gulls, terns and ducks.

Extend your trip by one hour and enjoy a fish fry for an additional \$25/person.
